

Since Jackie was going to send the Santa Cruz NRCD a copy of the lined page used for collecting signatures for nominating petitions, Stephen offered to send the signature page, as well as the petition form itself, to Barbara. She has to have her completed petition to the Land Department by April 25.

6. Ballot Request

The number of ballots to request was discussed. It was agreed to order 50 ballots.

7. Letter to Senator Griffin

Bill had participated in the Arizona Association of Conservation District's executive committee meeting recently and advised Dan and Stephen that it was time to send Senator Griffin a letter advising her that the Santa Cruz NRCD voted to remain neutral regarding the transfer of Conservation District administration from the Land Department to the Department of Forestry and Fire Management. A similar letter is to be sent to Governor Ducey. Bill Dunn is to be copied on both letters. Stephen said he would send them.

The meeting was adjourned at 11:55 a.m.
